

Dear Volunteer Organization,

We greatly appreciate your participation in our year-round Phoneraiser™ cell phone collection campaign to raise needed funds to further the mission of Sierra Adoption Services. By hosting our drop boxes, your organization will be helping the children in foster care as well as protecting the environment from toxic technology waste contained in the cell phone batteries.

Your organization may also benefit from the recognition you'll receive in our promotional efforts, if you so choose. By submitting your logo in a 234 x 60 pixel (IAB Half Banner) or resizable jpeg image to droot@ibns-inc.com, we will place it on the box artwork (see below), on our Phoneraiser™ webpage <http://www.ibns-inc.com/phoneraiser.htm> as a link to your site, and in our e-mail blasts listing our hosts.

Please fill out the attached Volunteer Application and return the signed form by fax or mail. Once we have created the custom artwork for your box, we will make arrangements for delivery.

Although our drive is year round, you may elect to opt out at any time, and you decide whether or not your organization will be a host to the public or strictly an internal-use location.

Either way, we encourage you to announce your involvement to your customers, associates, friends and family to collect as many cell phones as you can. All we require is that you clearly credit Intelligent Business Network Solutions Incorporated as the sponsor and include our logo, which is downloadable at <http://www.ibns-inc.com/logo.jpg>. Or, simply forward our emails!

The donations of cell phones are tax deductible* and tax donation receipts are provided with the drop boxes; however, should you run out before the next maintenance check by our representatives, you may download more from <http://www.ibns-inc.com/receipts.pdf>. Individuals may download a single receipt at <http://www.ibns-inc.com/taxreceipt.pdf>, and any inquiries about our Phoneraiser™ may be directed to our web page (printed on tear-off slips attached to the box) at <http://www.ibns-inc.com/phoneraiser.htm>.

Drop box destinations that generate more than 75 phones will be ranked in our Top Achievers section of our promotional efforts, so watch for updates to our webpage and the growing list of drop box hosts!

Thank you, again, for helping our cause!

Daniel L. Root, Director of Operations

* The value of most phones qualifies as a tax deductible donation. Please contact your tax professional for more information.
